Pursuant to HRS §103D-102(b)(4) and HAR section 3-120-5(d), the Department requests to amend an exempt contract as follows:

4. Explain in detail what is being amended:

To amend the ending date of the contract between DHHL and Watanabe Ing LLP from January 14, 2014 to January 14, 2015 or until Case No. 07-1-1163.08, Richard Nelson III et al. v. 5. Amended contract price for this request: \$ \$275,000.00

6. Explain in detail why the amendment(s) are necessary:

7 12/14/13
Procurement Exemptions 08-078-J/D a1-5 and 08-078J/D/Ba *67* was approved by the State Procurement Office to allow DHHL and the Commission to retain legal counsel for a lawsuit against the above referenced parties. Procurement by competitive means would not be advantageous to the State as the current Contractor (Watanabe Ing, LLP) is in the best position to coordinate legal activities for which the contractor was originally retained. The litigation is ongoing. On May 2012, the Hawaii Supreme Court issued its decision, and remanded the case to the Circuit Court for further proceedings. The Circuit Court is expected to conduct further proceedings in the case in 2014, which will likely involve further discovery, motions practice and a trial if issues remain. DHHL also expects to seek further legal advice in 2014 regarding the impact of the Hawaii Supreme Court decision on DHHL's budget request and testimony to the state administration and the 2014 legislature to comply with the Hawaii Supreme Court decision relating to "sufficient sums."

7. Identify the primary responsible staff person(s) conducting and managing this procurement. Appropriate delegated procurement authority and completion of mandatory training required.)
